Year 5/6/7 North Terrace City Impact Excursion

On Wednesday 5th September, Mr. King, Mr. Mitchell and Mrs. Mathews' classes travelled to the city by bus for a joint excursion. The bus ride was fun and the students (not to mention the teachers and volunteers) lucky enough to get on the big bus enjoyed watching Toy Story 3 on the journey in and SpongeBob on the journey home. Once we were in the city we broke up into teams and started our "Amazing Race" style challenge. Together we had to answer questions, find landmarks or collect things using the clues provided in a folder. We walked from the train station along North Terrace past the State Library, Museum and Art Gallery to the Botanic Gardens. It was a great day with students working together in groups of all year levels to collaborate and problem solve. Our students were excellent ambassadors for Morphett Vale Primary and should be proud of their responsible and respectful behaviour throughout the day.

"I liked the excursion because there were interesting things to learn and see." – Wyndscent.

"I liked that we got to explore the city." - Andrew.

"I liked the excursion because I got to explore the city and Botanic Gardens." – Kiah.

A special thank you to those parents and grandparents who gave up their day to accompany us, we could not have done it without your help! Thank you Linda, Stacey, Judy, Sharon, Kelsie, Sandy B., Kelly and of course our amazing SSOs Sandy, Lyle and Penny.
