

We are here to help you.

We have a very approachable team who work at OSHC. All staff members will try and answer questions that you may have.

If you have a grievance, please speak to the Director who will address your concerns.

OSHC is run by the

Morphett Vale Primary School
Governing Council under the
Leadership of the school
Principal.

OSHC can be utilized in many ways and by all families. Some people may need to use the service every day due to work commitments, others may just need us once and a while eg for an appointment that you just can't fit into school time. We can often help out at short notice. For whatever reason we aim to provide you and your child/ren with a quality service that meets your needs.

Before School:

Our service opens from 7am-8.30am (for school children) and 7 am to 8.40am (for Pre-school children). We provide a healthy breakfast up until 8am. During the morning session, children will have a chance to start their day with activities such as art and craft and physical activity (in the gym).

If your child needs some relaxation time we have a quiet lounge for them or a book corner.

Afterschool:

School finishes at 3.00pm each day except the last day of each term when School finishes at 2.00pm.

OSHC opens it's doors and welcomes the children to an afternoon session full of activities like arts and crafts, cooking, imaginary play, physical activity (outside and/or in depending on weather conditions)

Children are also encouraged to be one of our afternoon tea monitors helping prepare food for all the children to share at around 3.45pm when we serve a healthy snack.

Vacation Care:

School holidays can be a time where parents will still have to work and children may get bored at home. Our program is provided each week day during the holiday period (except public holidays and two-three weeks over the Christmas New Year period). Our program will change each holidays. Bookings for each holiday time are separate to term times. During The Vacation care program, we open from 7am-6.30pm. Spaces fill fast each holidays so get your bookings in as early as possible to avoid disappointment.

How much and how can I book?

Bookings can be made on a permanent basis meaning that your child will be booked into the sessions that you need each week without you having to contact me. Casual bookings can be made as long as we have space for your child and staffing can be arranged (before school we can only take a maximum of 20 and after school a max of 30) To book please contact OSHC directly.

OSHC is subsidized by the Child Care Rebate

Before school :\$15

Afterschool: \$28

Early closure:\$25

Vac Care \$45
