

The Governing Council

The Governing Council is composed of elected representatives of parents and nominees from the Staff.

The Governing Council is an integral part of the decision making processes operating across the school. There are several opportunities which parents elect to contribute to each year:

Financial Management

Canteen

Sports

Out of School Hours Care (OSHC)

These groups report back to two Council meetings each term in Weeks 3 and 7 at 6:30pm. The names of the Governing Councillors will be published in the Newsletter in Term 1 of each year.

Annual General Meeting (AGM) Governing Council

This is held at the beginning of Term 1 of each year.

New members are elected to the Governing Council (members serve a two year term). After the AGM at the first Council Meeting, elections are held for Chairperson, Treasurer and Secretary. Subcommittees are formed.
